Sub-miniature, miniature & industrial; toggle, rocker, slide DIP, rotary DIP, tact, push-button overlays & custom membrane style switches; machined aluminum, molded ABS and molded phenolic control knobs; LED Indicators; joystick controllers, panel mount trackballs and custom design multi-grip handles

**www.mccsemi.com**

Diodes & transistors; power management, transient protection & small signal solutions

**www.blockmaster.com**

Terminal blocks; cage clamp, wire guard, pluggable, screwless, barrier & panel

**www.nemcocaps.com**

Tantalum capacitors; PCT surface mount & low profile; LSR low ESR & low profile; TB radial dipped

**www.cardinalxtal.com**

Crystals, oscillators, TCXO & VCXO; programmable & multi-frequency

**www.oupiin.com**

Connectors; future bus, board to board, surface mount, telephone, ribbon cable connectors, BNC, D-sub & sockets

**www.cotorelay.com**

Reed relays & reed switches

**www.powerdynamics.com**

EMI/RFI filters; interconnect, power cords, custom molding

Printed Circuit Boards; All types

**www.r-theta.com**

Thermal cooling technology; heatsinks

**www.gowanda.com**

Magnetics; axial lead & surface mount RF inductors, pot cores, thru-hole & surface mount toroidal inductors

**www.rcd-comp.com**

Resistors & delay lines

**www.houseofbatteries.com**

Batteries & related solutions; design & assembly of all battery chemistries; custom assemblies; plastic molding & ultrasonic welding

**www.rubycon.com**

Capacitors, aluminum electrolytic, film & PC-CON, thru-hole & SMD

**www.jae-connector.com**

Connectors; high-density, fine pitch

**www.us.sunled.com**

Optoelectronics; SMD LED, SMD display & SMD lamps; infrared products; digit & matrix LED
